NOTE 1.—The Inventories of the Effects of Deceased Enlisted Men, required by the 95th Article of War, will be forwarded, as soon as practicable, by the Company, or other Commander, to the Adjutant General of the Army, Washington, D. C., and to the Headquarters of the Regiment or Corps to which the Soldier belonged at the time of decease. (See Article XVII of Regulations.)

NOTE 2.—With the Inventory of Effects, there will be forwarded to the Adjutant General of the Army, Washington, D. C., duplicate Final Statements of the Deceased Soldier's Accounts with the United States.

1. R 1 117
FINAL STATEMENT

or

Priv Jacob Gammon Comp. R.

33 Regt of Missouri Infantry

VOLUNTEERS.

Comp. R. 117

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the discharge of the duplicate certificate, on these certificates the Soldier is "entered" in his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the amount of account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the missing portion of the Soldier's account may be settled up by the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled up by the Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to baggage, horse equipments, and other miscellaneous charges, should appear under the heading of "other stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Land Army must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, as duplicates, to the Adjutant General, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h. p.*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, capacity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly certified in the within certificate."

Reg. 1200 Regulations, L. 11. 1-11.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, and hemiplegia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificates be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward some of these certificates direct to the Adjutant General United States Army, at Washington, D. C., they will not, under any circumstances, be given into the hands of the soldier.

Captain;

Since sending my note this morning, the name of Capt. Wm. S. Gibson has been mentioned to me. He would make a splendid recruit, but he is now in some way suspended from duty. If he comes properly to post upon duty again, I would prefer him to either of those named by me this morning. Capt. Gibson told me he would know tomorrow morning whether he could take the place. But I make no request in the premises. I am ready and anxious to get to work.

My friend

I have been retained from the Court at a distance, but have not been able to leave the Department, on account of transportation, the Court say that on a few days will give its transportation the 16th inst, as yet there are none. so we must stay a few days.

Vicent Talbot has come down with the Prisoners. The Govt. has ordered me to take all the prisoners down, as soon as there is any way of doing so. So when I get transportation for En. Long, I'll go and bring them down also. I have been very sick, but am slowly getting better. I hope you are all getting along well. My kind regards to all.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the company detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

FINAL STATEMENT

OF

James H. Githens
H 33rd Reg't of Inf'ty Me.

VOLUNTEERS.

Died Nov 2 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out. (Final Statements are never given to men mustered out of service.) That he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commissioned officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the cooking account, and all other charges against him or in his favor, even to carrying a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landred must be entered on the muster roll on which the discharge, death certificate, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a veteran, (or recruit,) as the case may be, should be interlined after the word, entered into the service of the U. S. A statement of all the instalments of Veteran or Recruit Bounty RECEIVED by the Soldier must be made on the back of each final statement.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment book to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

 Sworn and Subscribed before me
this ninth day of August 1865
Henry S. Sherton
Notary Public,

Adjutant General's Office,

Washington, July 20, 1863.

Sir:

In reply to your letter, requesting a Descriptive List of Robert A. [unclear], a Private in Company [unclear], Regiment [unclear] Infantry Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT. DESCRIPTION, &c.

Robert A. [unclear], a Private in Company [unclear], Regiment of [unclear] Infantry Volunteers, is

years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the 16 day of August, 1862, at the town of [unclear] in the State of Ma.

by [unclear], and mustered into the service of the United States on the 29 day of August, 1862, at the town of [unclear], in the State of [unclear].

by [unclear], to serve for the period of three years or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of March & April, 1863, that he was last paid by Paymaster [unclear] on the 29 day of March, 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing: it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

Robert A. [unclear] died April 16, 1863. He is reported as having been killed in action at the battle of [unclear]. His account is [unclear].
\$12.40

Very respectfully,

Your obedient servant,

[Signature]

Assistant Adjutant General.
(7)

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and having been used by the proper officer to make out the soldier's final statement, should be endorsed with a statement to that effect by this office. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statement, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the master roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that this list is incomplete or "partial."

Helena Ark. April 7th 1863

Major General Thomas

The inclosed communication from our
recommending his chief clerk private Jno. M. Gott to the position
of quarter master to a new Coloured Regiment I very cordially approve
& would commend to your favourable consideration. Mr. Gott is a
member of my company & I have known him well from the first
He is a young man of intelligence good family & entirely reliable &
trustworthy in any business matter requiring fidelity accuracy &
good judgement. From his education tastes & association he has
a natural repugnance to anything like drinking gambling &
profanity. That he is a handsome person & a good accountant
& a correct business man habituated to the details & forms of
the Quartermaster's department is very well known among us
& his own personal worth & deserving qualify him especially
for this important trust. I recommend him very cordially & think
that a better man for the place can hardly be found.

Very Respectfully

E. S. Scherck Captain comp. K
Commanding Detachment 33rd Me. Infantry.

Helena April 7th. 1863

Captain:

I would respectfully request your influence in obtaining for Private J. P. Gott, of Co. "K" the position of Regimental Quartermaster in the regiment of "Blacks" about to be formed at this Post.

As you are aware, Mr. Gott has been detailed as Clerk for me since the organization of our regiment. He is a man of strictly temperance habits, and unflinching integrity. I regard him as well qualified for the position of Quartermaster, as in addition to the business experience he acquired in civil life, his employment for the last seven months has given him familiarity with the details of that Office. Mr. Gott enlisted in the service of his Country from purely patriotic motives, and will I know, in whatever position he may be placed serve her interests to the best of his ability.

Very Respectfully
Your obedient servant

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *1/2*, *3/4*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the discharge was given by consent of the surgeon, after a personal examination, and for disability, the nature, degree, and origin of which are correctly stated in the within certificate.

Ar. 1500 Regulations, Part I, 1861.

Company officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, or catarrhus, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to the company commander, or, if the troops are not attached to a division, to the corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are referred to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; or, if the soldier is furnished with the proper final statement in duplicate, and forward BOTH of these documents direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

FINAL STATEMENT

OF

Private Louis L. Gray, Co "C"

33rd Reg't of Light Missouri

VOLUNTEERS.

Died July 11, 1863

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; or these certificates the Soldier is "entitled to" his discharge, and should also present to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should contain a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on the statements.

NOTE 6.—Amounts due the Soldier for Laundry must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, or the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. p. d. d. d.*; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will state, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion as to the cause or origin of the disability. In cases of disease, or of any chronic or permanent disability, the surgeon will state that the "disability was given by disease," or "by accident," after a personal examination, and for cause, nature, degree, and extent, not which are correctly stated, and in the words "disease," or "accident."

Law, 1862, Regulations, Part 1, 1861.

Surgeons, in giving certificates of disability, are to be particularly careful in all cases that have not been under their charge and especially in epilepsy, convulsions, chronic inflammation, derangement of the urinary organs, or any disease, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander: or, if the troops are detached to a division, to his corps, department, or other commander, or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be forwarded through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; and that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

Commanding Company.

I certify, that I have carefully examined the said Private James A. Hays of Captain St. George Rapp's ("B") Company, and find him incapable of performing the duties of a soldier because of Chronic Discharge from which he has suffered for more than a year, is still unfit for duty and in my opinion never will be again he is very feeble & much emaciated & the disease really seems to grow worse. Office Superintendent U. S. Military General Hospitals,

~~DEPARTMENT OF THE TENNESSES.~~

Memphis, April 1st 1865-

Sir:

Private
James Hough of company F 33 regiment Mo. Inf. vols,
was this day discharged from the United States Service, on surgeon's
certificate of disability.

I am, Sir, very respectfully,

Your obedient servant,

P. J. D. Smith

Surgeon, U. S. A.

SUPT. U. S. MILITARY HOSPITALS.

Commanding Officer Co. F 33 Regt. Mo. Inf. Vols.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. l. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1230 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward three papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the papers are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge is vested; and may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, detachment, or post commander, who will, if the discharge is authorized, by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is provided with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C. they will not, under any circumstances, be given into the hands of the soldier.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. l.*, &c., &c.; to describe particularly the disability, wound, or disease the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1891.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army at Washington, D. C.; they will not, under any circumstances, be given to the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

FINAL STATEMENT

OF

Private H. T. Human Co. C

33rd Regt of Inftry Mo

VOLUNTEERS.

Recd Oct 11/1866

NOTE 1.—Two of these certificates (or duplicate) are to be given to each Volunteer or drafted man who may be discharged without being mustered out (final statements are never given to men mustered out of service,) and he may at once receive from the Paymaster the pay due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificate, with these words: "The Soldier is entitled to his discharge, and should also give to the Paymaster to have the payment endorsed on it." The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his vouchers the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of these final statements, and also to the time he has pay due for having been mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list of his own arms, should be taken up by the officer who gives the Soldier these statements, and enclosed with a statement to this effect by the officer. The statement should contain a full statement of the time for which the Soldier was allowed pay on his final statements, the amount received, and all other charges against him or in his favor, some to make a complete account of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary for a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be traced upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, arms, equipments, and other miscellaneous charges, should appear under heading of "Other Discharges."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his family, not reported on the muster roll on which the discharge, death, or other report is made, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the Soldier is a drafted man or substitute, the space for time, &c., at enclosed, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a veteran (or recruit,) as the case may be, should be inserted after the words mustered into the service of the U. S. A statement of all the installments of Pension or Honor Bounty RECEIVED by the Soldier must be made on the back of each final statement.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

FINAL STATEMENT

OF

Private H. C. Harrington.

33rd Reg't of Mo. Vol. Infy.

Wm. H. C. Harrington

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out. (Final Statements are never given to men mustered out of service.) That he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of each these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and enclosed with a statement to this effect by the officer. The endorsement should contain a full statement of the sum for which the Soldier was allowed pay on his final statements, the amount of a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the same on a full and complete exhibit of the Soldier's account on the company's books, which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these discharge rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statement from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 31 Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laurence must be entered on the mustered roll on which the discharge, death certificate, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the words for time, &c., or enrolled, should contain only the words drafted or substitute, as the case may be. If the Soldier is a "volunteer," (or recruit,) the words as a recruit (or recruit,) on the case may be, should be entered after the words entered into the service of the U. S. A statement of all the installments of pay or allowances received by the Soldier must be made on the back of each final statement.

DIRECTIONS.

These certificates, after having received the action of the United States Army to which they are required to be sent, will be returned to the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the commanding officer, forward the proper authorities, with the soldier's discharge and the certificate on this paper, so that the soldier is furnished with the proper statements in duplicate, and forward both of these certificates to the Adjutant General United States Army at Washington, D. Friend Patterson

I received your letter
dated 21st Sept, and was much pleased
to hear that had joined Merrill's Horse
again, and also to hear you were so
well satisfied with your command. I
saw I went into the 33rd Regt, but
determined to do something for my
country, and was told by the recruiting
officer who drew me in, that Merrill
Horse was not recruiting now, as they
were full, but Capt. Murphy promised
me if there was any chance to get in
he would give me a transfer, he made
the same promise to six or eight men,
but he refuses now, saying that he has
got no in. I should be much obliged
to you if you should see Gen. Merrill
and speak to him concerning us, and
see if he can get us transferred to

Sir: Col. H. I. Christman

Acting Adjutant General

Sir:

I respectfully request
leave of absence for thirty days to visit my home
in Saint Louis Mo.

Since leaving my family my
wife and child have both been very sick, and the
former is still in poor health. - In addition to this
my private business at home requires personal attention
to prevent pecuniary loss.

I had the honor to make ap-
plication on similar grounds in March 1st but was
refused. As the Campaign is now at an end
I trust this request may meet the favorable consideration
of the Commanding General.

Yours Very Truly

Sir:-

I desire to make application for twenty day leave of absence to visit my home in Saint Louis, for the following reasons:-

I have been in U. S. service since the opening of the war, (nearly three years), being during that time absent from my home; and my business and domestic affairs now require imperatively that I give them immediate attention. My Regiment garrisons the Fort and Batteries at Helena, at which post there is no prospect of battle during the time asked. Major Van Ruck is with the Regiment, and is fully competent to command it in my absence.

Hoping this application may meet the favorable consideration of the Commanding General I am Sir

Very Respectfully

Head Quarters, Department of the Missouri,

St. Louis. Aug. 23^d 1864.

Sir:

I am directed by the Major General Commanding to inform you that Private Dudley J. Henry of your Company has this day been discharged on Surgeon's Certificate of Disability, without Final Statements, for want of Descriptive Roll. Enclosed please find a blank Descriptive Roll, from which, if properly filled up and returned to these Head Quarters, Final Statements will be furnished him.

Any Descriptive Roll of this man, other than the one enclosed, will be destroyed if received at these Head Quarters.

Your IMMEDIATE attention is respectfully requested.

Very Respectfully,

Your obedient servant.

Ben. M. Peck

Assistant Adjutant General.

To the Commanding Officer,

D. Co. 33^d

Regiment of

Mo. Inf. Vols.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, or the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the person in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

No. 142.

When a practical case is presented, special care must be taken to state the diagnosis of the injury—as h. l. &c.; to describe particularly the injury, wound, or disease; the extent of which it deprives him of the use of any limb or senility, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will tell from his knowledge of the facts and circumstances, and from the evidence in the case, his opinion as to the nature and extent of the disability. In the case of disability caused by accidental injuries, the last paragraph will state that the disability was given by accident of the accident, after a personal examination, and probability, the nature, extent, and origin of which are correctly described in the certificates.”

Natural causes, in giving certificates of disability, are these particular cases in which cases that have not been under your charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, mania, ulcers, or any obscure disease liable to be feigned or purposely promoted; and in no case shall such certificate be given until after a diligent time and examination to detect any attempt at deception." &c.

DIRECTIONS

This certificate will be made out in duplicate by the soldier's commanding officer, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward them to the representative detachment or post commander, who will forward them, with his own certificate thereon, through the proper channels to his own commanding officer. If the certificate is not attached to any order to his company, or sent to the commanding officer or other superior (the authority) to discharge enlisted men may be specially directed.

These certificates, after having reached the action of the highest authority to which they have been referred to the end, will be returned to the same channel to the regimental post, or detachment. The officer, who will be the discharge, is authorized by the commander, the proper authority, and the soldier's discharge, and the certificate on the paper, and then the soldier is furnished with the proper final statement in duplicate, and forward WITH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

SEC. 12. And be it further enacted, That the fees of agents and attorneys for making out and causing to be executed the papers necessary to establish a claim for a pension, bounty, and other allowance before the Pension Office, under this act, shall not exceed the following rates: For making out and causing to be duly executed a declaration by the applicant, with the necessary affidavits, and forwarding the same to the Pension Office, with the requisite correspondence, ten dollars: which sum shall be received by such agent or attorney in full for all services in obtaining such pension, and shall not be demanded or received, in whole or in part, until such pension shall be obtained; and the sixth and seventh sections of an act entitled "An act to grant pensions," approved July [fourteenth,] eighteen hundred and sixty-two, are hereby repealed.

SEC. 13. And be it further enacted, That any agent or attorney who shall, directly or indirectly, demand or receive any greater compensation for his services under this act than is prescribed in the preceding section of this act, or who shall contract or agree to prosecute any claim for a pension, bounty, or other allowance under this act, on the condition that he shall receive a per centum upon any portion of the amount of such claim, or who shall wrongfully withhold from a pensioner or other claimant the whole or any part of the pension or claim allowed and due to such pensioner or claimant, shall be deemed guilty of a high misdemeanor, and, upon conviction thereof, shall, for every such offense, be fined not exceeding one hundred dollars, or imprisoned at hard labor not exceeding two years, or both, according to the circumstances and aggravations of the offense.

Approved July 4, 1864.

NOTE 10.—If any soldier is charged a higher fee than that allowed by the above act, he should report the fact and the name of the agent to the Adjutant General, in order that steps may be taken to have the same returned.

FINAL STATEMENT

or

John C. Higgins Co. L.
33rd Regt of Me Infy

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out. (Final Statements are never given to men mustered out of service.) That he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these duplicate certificates, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to baggage, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Disbursements."

NOTE 5.—Bounty paid by State authorities, and by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his family must be entered on the muster roll on which the discharge, draft, or report, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of service, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VETERAN," (OR RECRUIT,) the words as a veteran, (or recruit,) as the case may be, should be interlined after the words mustered into the service of the U. S. A statement of all the installments of Pay or Allowance or Bounty RECEIVED by the Soldier must be made on the back of each final statement.

1st Lieut Robt H. Smith

I CERTIFY ON HONOR, That I have carefully examined the above named Recruit, agreeably to the General Regu-
lations of the Army, and that in my opinion he is free from all bodily defects and mental infirmity, which would, in any way
disqualify him from performing the duties of a soldier.

Thos Smith
Examining Surgeon.

I CERTIFY ON HONOR, That I have minutely inspected the Recruit, *Edmund Hodges*
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is
of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly ob-
served the Regulations which govern the recruiting service. This soldier has *gray* eyes, *blond* hair, *dark*
complexion, is *5* feet *10* inches high.

Geo A Villarsay
1st Lieut

Recruiting Officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Sir

I would respectfully ask for twenty days leave of absence to visit my family in Caldwell Michigan for the following reason

I entered the Service upwards of one year ago, and have not seen my family during that time. And it is necessary that I should go and make a change in their home, as they have been boarding with a private family ever since my absence from them.

I was last paid by my Mother-in-law to include June 30th 1863 and have not been absent from my command, with or without leave, since that time - nor since entering the service

Hoping this will meet the approbation of the approving Genl
